## OBJECTIVE STATEMENT

I am a Junior in the advertising program at the University of Oregon. I want to put myself out there and explore all that Eugene has to offer outside of the classroom. I am looking to gain applicable real life experience, and I hope to push myself and find out exactly what I am capable of.

## HOBBIES AND INTERESTS

I am passionate and interested in modern art, photography, hiking, and jazz. I love to get outdoors any time I have the chance. I also find joy through my creative outlets, and find that I can be most creative when I draw inspiration from my daily life.
